BUILDING PERMIT TOTAL HERE \$13,805

ONE BUSINESS HOUSE INCLUDED IN TOTALS

Building permits in the city of Cameron for the month of June totaled \$13,805 according to W. H. Stafford, City Secretary.

Mr. Stafford said the permits numbered one business house and three residences.

The business house is to be constructed by Walter Lester for the Cameron Seed Company in Santa Fe Town. Mr. Lester established Cameron Seed shortly after he left the Air Corps in the late war.

The permits calls for an initial expenditure of \$5000 and the building will house the business of Mr. Lester. The building will be located on the north side of the main business street in Santa Fe Town.

Totals for June were above the totals for May. Building totals have not kept pace with the construction totals in 1948.

Since the war building totals in Cameron have aggregated over a million dollars. This is reflected somewhat in the increase in assessed valuations.

The city in passing the permit law keeps tab on costs of construction fairly well and this has resulted in better approach to proper taxation.

SANTA FE TOWN TO GET POSTAL BRANCH

Cameron may soon have a branch postoffice.

Postmaster John R. Hays, said that Santa Fe Town will get the branch and that will result in a better service here. Where conditions are crowded and business has increased, branch postal service is being launched in a number of Texas towns.

Establishment of the branch postoffice in Santa Fe Town will be a welcome convenience for a large number of patrons of the local office.

Mr. Hays said that he had recommended the branch and that it had been approved by his immediate superiors in the system and he has high hopes the plan will be approved in Washington.

The new branch postoffice will serve as a stamp selling center and for mailing outlets and smaller details of the system operations. All city deliveries will continue to be made out of the main offices, it was presumed. That would likely be true of intake for parcel post. The branch office plan has saved many congested situations in other cities where federal buildings are inadequate.

Plans have been advanced here for years by Postmaster Hays for increased space at the local federal building. He hopes someday soon to see this work begin.

Little Linda Home From Dallas Hospital

Little Linda Sweaks is home from the hospital in Dallas.

She is resting at the Sweaks home in the Hoyte community and reports indicate she is doing fine.

Claude Sweaks, father of the baby, now 19 months old who was before here operation a blue baby, said Tuesday that Baby Linda, was returned to her home here on advice of the surgeons in Dallas. The terrors of the hospital ordeal and subsequent treatments had left her slightly nervous and the doctors concluded she would do better at home.

Dr. Clifford Skift, family physician for the Sweaks will look after Little Linda, keeping close supervision over her progress.

Little Linda cannot have company for at least 3 weeks or more.

TO THOSE CONCERNED

The North Elm Cemetery funds have been exhausted and the cemetery needs mowing. Those interested see J. A. Mann, Euell Russell, or Ed Westbrook.

10 Pound 10 Ounce Cantaloupe Raised By Lee McLerran

The Magic Soil Belt in Milam County has done it again.

This time it is a 10 pound, 10 ounce cantaloupe, produced on the Lee McLerran farm at Marlow.

Mr. McLerran brought this melon to the Herald plant Saturday. This melon was raised from HB 36 seed. This type cantaloupe has not been generally known in this community.

The cantaloupe was ripe and the publisher was out of the state much to his regret, and Mr. McLerran had to return it to his home.

Harry Hinton Pays \$100 Fine For Wild Escapade Monday

Harry Hinton, 23 year old resident of Cameron, was fined \$100 in county court Wednesday after he had entered a plea of guilty to a drunk driving charge before County Judge Dan Tyson.

Hinton was placed in jail Monday after he had been arrested by city officer Harper. In default of the payment of the fine he was taken back to jail.

According to officers Hinton left a beer tavern Monday afternoon and entered a car belonging to another. As he drove away he started racing the car and before long almost the entire town was aroused as the machine careened up and down the streets, turning corners and endangering the lives of others.

Officers said that Hinton apparently was temporarily berserk and when finally stopped wanted to assault the officer.

Hinton was paroled here some years ago as a juvenile due to his first trouble. Officers said he had been involved in minor law infractions elsewhere, notably in Houston and in Temple.

John Kuzel Visits In Cameron; Hoppers Real Menace He says

John Kuzel of Buckholts was in Cameron Wednesday and while in the city was a visitor in the Herald plant. He is an old reader and will read the paper again this year.

Mr. Kuzel, former member of the County Board of Education, spends his time now on his fine farm along Little River south of Buckholts. He says that too much rain has fallen in his section of the county.

Grass hoppers are taking quite a toll, he says, but praises the new poison formula which he is using. He said that he discovered the hoppers had eaten about 2 and a half acres of cotton next to the timber on his bottom farm. After dusting he said fine results were obtained.

18 Young Men Turn 18 in June and Register for Duty

Registration continues at Local Board No. 92 and during the month of June eighteen (18) young men became eighteen years of age and, according to law, registered with the draft board. The names of these new registrants are as follows:

Isaac R. Fino, Monroe Clayton Mortimer, Ray E. Rodriguez, Wesley Dee Corder, Joe Cruz Galvan, J. B. Washington, Fred Knight, John Talley Denson, Bernie Ray Juergens, Stanley Edward Pratt, Johnny Vernon Smith, Joe Matthew Hundt, John Adolf Widner, Richard Allen Love, Richard Jabez Jones, George Wendell Mitchell, Samuel Kirby Anderson, Richard Tobar.

Mrs. W. T. Condray of Route 3, Cameron was in Cameron Saturday to renew her Cameron Herald.

TRAFFIC AND WATERS ARE GREATEST KILLERS

BULLETIN

The nation counted 690 dead from holiday accidents as July 4th celebrations ended late Monday. At 10 a. m. Tuesday figures had been compiled. Texas was nosed out in the grim reaper race when New York reported the largest number of deaths of any state. To the toll already counted were to be added those who would lose their lives in the return to their homes Tuesday.

The Fourth of July week-end accident death toll soared to at least 523 deaths Monday. This surpassed last year's total of 500 for the entire three-day period.

The largest number of victims were cut down in highway crashes. With roads still clogged with millions of homeward bound holiday makers, the traffic toll reached 243, climbing steadily toward the 290 fatalities predicted by the National Safety Council.

Drowning — claiming 172 lives — was the second worst killer.

Another 108 persons died in miscellaneous accidents.

Texas, with 45, led all states in the tabulations of violent deaths. New York was second with 35, Michigan third with 34, Illinois fourth with 29, and California fifth with 25.

Texas' traffic deaths soared to 31. Drownings accounted for 21 dead in Michigan and 11 in Minnesota.

Son of Camp Hood Worker Fatally Stung By Insect

WINGATE, June 30—Jerry Turland, 12, died today less than an hour after he was stung in the back of the neck by some insect.

He was the son of Mr. and Mrs. A. A. Turland of Belton. He died at the home of his grandparents, Mr. and Mrs. A. B. Turland, three miles north of Wingate.

Jerry and his cousin, Bobby Harris, were in the grandparents' garden when the boy was stung. He died before a doctor could arrive.

Physicians were not sure what kind of insect it was but theorized it was a wasp or spider.

Jerry's father is an electrician at Camp Hood. The boy was spending a two-week visit with his grandparents.

Phil Krause and daughter of Burlington were welcome visitors in Cameron on Friday.

COMMISSIONER COURT MAKING UP 1949 ROLL

What to do with property values under the new Gilmer-Akin school laws has the county dads scratching their heads these days.

It is time for the annual session of the court as a Board of Equalization and the board has adjourned until after the July 4th Holiday so that more information may be had on what to do about financing rural schools under the new educational system.

Right now the Court has made a preliminary survey of values and have made some increases. It was estimated that perhaps a half million dollars or more would be added to the tax rolls. This does not mean a blanket increase but improvements and progress since 1948 makes increases necessary, especially where property has been improved.

County values may reach \$18,000,000 when the court gets through with its work. This figure will be tragically low for a county total but the policy of the court for many years has been like the Kentucky preacher who was exhorting rich sinners. It is generally considered bad politics to raise taxes and good politics to lower valuations. This policy no doubt accounts in major part for the backward conditions in the county, both as to roads and education.

It is interesting to note that the 1948 tax roll was \$16,965,906 and also the limited appraisal of other values, classified as personal property.

In 1948 it was no secret that the county had approximately 50,000 head of cattle, many more according to government estimates. Actually only 19,387 head of cattle had been rendered for taxes at an average of \$25 a head. There were 2752 head of horses on the roll, a few sheep and a few hogs, the latter perhaps less than a thousand head.

In some sections land is on the tax roll at \$2.00 per acre. In other sections \$40.00 but no where is it in keeping with present day values.

The chief factor in the unfavorable situation is on personal property. It is never wise to burden producing real estate. On the other hand it may be tragically unfair to overlook chief sources of wealth and earnings.

\$50,000 RECREATION BUILDING IS READY

(From the Daily)

St. Monica's Parish will dedicate its new \$50,000 recreation building here Sunday, July 3.

The new building, under construction for the past year, was planned by Rev. George J. Duda, parish priest. It is known as the Simon and George Memorial Hall and named for the late Father Simon Spinneweber, priest here from 1905 to 1924 and Father George Apel, priest at St. Monica's from August 7, 1924 until his death, June 23, 1939.

The late Father Apel planned and built St. Monica's church after the fire had destroyed the old church.

The new hall, to be used as a recreation and cultural center for the Parish, faces west on Karnes avenue. The foundation is reinforced with steel, with steel beams and pillars, and is constructed with Cordova shell limestone and asbestos siding. The outside dimensions are 116x66.6. The auditorium, 70x54, is of natural finish knotty white pine, with beech floor. The building includes a serving room on the south side and a kitchen 16x6, adequately furnished with steel cabinets, refrigerator, gas ranges and a supply of dishes. A wine velvet curtain was purchased for the stage at a cost of \$966.00, as well as inside and outside scenery. The (turn to page eight)

LOANS NOW AVAILABLE FOR FARMS FOR VETS

H. B. McClellan, Veterans Service officer for Milam County, has prepared a brief on the text of the Veterans Land Purchase bill which will be of interest to the veterans here who want to buy farms.

In addition to the following facts it is important to note that a veteran may not sell his land under 3 years but does not have to live on it:

A constitutional amendment was approved by the Texas voters at the general election on November 7, 1946, creating a Veterans' Land Board to be composed of the Governor, Attorney General and the Commissioners of the Land Office, and a Veterans' Land Fund of \$25,000,000 for the purchase of lands in Texas to be sold to Texas veterans of World War II, but the 50th Legislature did not set up the machinery for its operation. This year, the 51st Legislature did set up the necessary procedure, and the bill was signed by the Governor on June 6, 1949. The law permits a Texas veteran of World War II to purchase a farm or ranch home costing not more than \$7500, through a \$25,000,000 revolving loan fund operated by the Board. He may pay as little as 5 per cent of the purchase price down, and finance the balance on an on-or-before note for 40 years at 3 per cent interest. He may purchase a privately-owned tract of land, provided that it carries at least one-half of the mineral rights, as the state reserves one-half of the mineral rights on all land purchased through the Land Board.

To be eligible for a loan, the veteran must have been a bona-fide citizen of Texas at the time of induction or enlistment; must have served not less than 90 days unless discharged because of service-connected disability; on active duty between September 16, 1940 and December 31, 1946, and not dishonorably discharged. Veterans with service-connected combat disabilities have a ninety-day priority over veterans in the purchase of any land acquired from federal wartime surplus holdings and land that may be purchased for resale. This program, for World War II veterans only, will continue until the end of eight years after the effective date of the constitutional amendment, then any unsold land owned by the board will be available for others with no veterans preference.

Rules, regulations and procedure for the administration of this law will be set up by the Board in the near future. Inquiries should be directed to Veterans Land Board, Land Office Building, Austin, Texas, or see H. B. McClellan, Veterans County Service Officer for further information.

William C. McClellan Is Buried In Waco

Funeral services were to be held for William C. McClellan of Waco at 5 p. m. Wednesday.

Mr. McClellan was killed Monday in an auto crash near Dallas. He was a brother in law of Mrs. Frank Cheeves of Cameron.

McClellan died instantly and his companion Clayton S. Young was seriously injured.

The deceased was a member of the construction firm of McClellan, Brown and McClellan.

Surviving are his widow, Mrs. Lucille McClellan, sister of Mrs. Frank Cheeves, one daughter, Alex, two brothers Roy of Waco and Ralph of Houston.

Gen. Albert Smith Is New Commander At Camp Hood; Takes Over

CAMP HOOD, June 28—Maj. Gen. Albert Smith today took command of the Second Armored Division and Camp Hood.

A 13-round salute and strains of a division band welcomed the General and his Texas-born wife who have just come from Japan.

They were greeted by Brig. Gen. John H. Collier, combat command "A" Commanding General and acting division commander.

General Smith's wife is the former Mary Josephine Gorman of Waco.

Following ceremonies at Camp Hood's main gate, Generals Smith and Collier, accompanied by Brig. Gen. Rupert E. Starr, commander of Combat Command "B", were escorted to camp headquarters by members of Company B, 42nd Armored Infantry Battalion.

Saturday morning troops of the Second Armored will hold a formal dismounted review in honor of the new commander.

General Smith, who succeeds Maj. Gen. James G. Christianson, has

been with the Fourth Army since February 1947. He has been assistant division commander and commander of the 24th Infantry Division at Kyushu, Japan.

Grasshoppers Here Enterprising; Tall Tales Spring From the Benches On Lawn

Last Saturday afternoon a group of Milam county farmers were lounging around on the Court House lawn and complaining about the ravages of the grasshoppers.

"The varmints cleaned up my whole crop in two weeks," muttered the first.

"That's nothing," complained another. "They ate mine up in three days and then roosted on the fence to see if I'd plant more."

"Gentlemen," said a third farmer, "a person who doesn't know anything about grasshoppers might find this hard to believe, but a week before planting time I happened to be in the seed store, and he darned if two of them weren't in there looking over the books to see who had bought seed."

PEOPLE HAVE MONEY BUT PRICES TOO HIGH

President Truman said early Thursday at a Press conference in Washington that the number of unemployed was nothing to be alarmed about.

A survey of business has indicated to economic experts that there is sufficient buying power among the people to guarantee uninterrupted operation of manufacturing for an indefinite period. The hitch is that prices are too high, they say. If prices were to come down to more reasonable levels or become stabilized buying would begin.

Walter Reuther of the UAW was at the White House for a talk with the President. Just before the conference began he told newspaper men that the government is fully aware of the unemployment situation.

One thing seemed certain of agreement: Prices and taxes must come down.

There was depression talk in some quarters. The stock market broke away from the slump level and bounded back up with significant gains.

The American buyer is up off his knees. He can bring on a business collapse by refusing the buy. Price slumps have not been pronounced but buying has slumped. Folks are getting price conscious and the situation may resolve itself into a general weakening along the price front.

Governor Studies Money Bills For Action Due Today

AUSTIN, July 4—Governor Jester signed today a big tax remission bill and withheld his expected veto on another money measure until tomorrow.

Jester spent the holiday studying three big money bills which the comptroller says can be paid from available or anticipated funds.

They were the judiciary, state department and eleemosynary appropriations bills. Still unapproved by the comptroller and not yet before the governor was the college money bill.

Jester is expected to blue pencil enough money from the eleemosynary bill's allocation for the second year of the coming biennium to bring the budget into temporary balance. This would permit certification by the comptroller of the college bill.

The governor's signature wrote into law today to property tax remission of about \$700,000 to Tarrant county. The money will be used to repair flood control facilities.

In Pennsylvania Return From Stay The Stanley Swifts

Mr. and Mrs. Stanley Swift and Children, Sarah and Hill, arrived in Cameron late Wednesday from Pennsylvania.

They have been spending some time visiting relatives in Pennsylvania going there after meeting Sarah and Hill at their colleges. It was a nice vacation trip for them.

On their way back they stopped over in Shreveport, La., to visit with Mr. and Mrs. Stanton Dossett.

Draft Board Warns Registrants Who Do Not Report Address Required Under Law

Milam County draft board today requested the aid of the public in helping to locate five men who are registered with the Milam County board.

The five men are Freddie Lee Reed, Ferman Canady, Ricardo Rivera, William D. Burkeen and Percy L. Bennett.

The Local Board explains that it has not been able to reach these men at their addresses in the conduct of the board's official business.

"Under the law, the board is required to turn such names over to the United States District Attorney after a certain period of time," the Clerk states, "but our board does not like to take such action if the men can be located otherwise. This board will appreciate any information leading to the location of any of these men."

The Selective Service law requires each man who is registered to keep his Local Board informed of any change of address and to answer all communications addressed to him by his Local Board.

Mrs. H. H. Pruett, Mrs. Luther Walker and Mrs. Elsie Pierce of Milano who have been attending an education course at A&M College taught by Mrs. Cornelia Brown Sloop, accompanied the class on an educational tour to Austin Wednesday. The class was officially welcomed in the state senate. After visiting the Woolridge and Rosedale schools the group spent some time in the publication department of the Steck Company.

Gordon Lowe of San Angelo spent a few days this week visiting his mother and other relatives in Cameron.

Anthrax Reported In Brenham Herd

BRENHAM, Texas, June 29—Sixteen cows are reported to have died of anthrax on the Fink Brothers ranch seven miles from Brenham on the old Chapel Hill Road.

The disease, which attacks both humans and livestock, was diagnosed by Dr. Kenneth M. McEnrae, veterinarian.

The ranch and surrounding areas have been quarantined by Dr. Robert Chappell of the Livestock Sanitary Commission, and adjoining landowners have been advised to have their livestock vaccinated immediately for anthrax.

Sam Fink, one of the owners of the ranch, said he has no idea how the disease got into his herds. "We raise all our cattle and have not bought or shipped in any livestock," he said.

Sunday guests in the home of Mr. and Mrs. Joe Sheguit were her mother Mrs. Cecil Porter of Caldwell and sister, Mrs. Weldon A. Smith and son Kenny of Corpus Christi.

Linda Marie Doskocil, little daughter of Mr. and Mrs. Ello Doskocil of Buckholts is among the patients ill in Newton Memorial Hospital.

JOB TOTAL RISES TO 59 MILLION FIGURE

WASHINGTON, July 1 — More Americans had jobs in June than in any previous month this year.

Unemployment, too, hit a seven-year high of 3,778,000 as vacation school-agers pouring into the labor market.

The total number gainfully employed last month was 59,619,000, the Census Bureau reported. This was a record for this year, although about 1,500,000 less than in June 1948.

Bright spots stood out in the new report.

For the first time since December, there was an upturn (204,000) in the number of people working on jobs outside of farming.

About two out of three among the new job-seekers found work.

Though unemployment gained, it stayed well below the level of 4,000,000 jobless some Government economists had expected. That number were out of work in February

1942—a war period.

The Census Bureau attributed the increase in unemployment to youths released from school looking for work.

The report showed the nation's labor force—those having jobs or looking for jobs—increased by 489,000.

Farm employment was up 721,000 last month, reflecting a regular seasonal trend in agricultural work.

The bureau said that compared with June of last year, non-farm employment was down about 2,000,000 and that those hardest hit by the drop in available jobs were youths of high school and college age.

New Music Leader At Baptist Church

Raymond L. Robinson, new minister of music and education at First Baptist Church, has arrived in Cameron and will be at the church Sunday for the first time.

He was elected by the church some weeks ago but could not begin his work until July 1. He comes to Cameron from Oakdale, Louisiana. Mr. Robinson is a native Texan. Mrs. Robinson and their daughter, Nelda Ray, 4, have also arrived here. They will live at 407 First Street.

Mr. Robinson holds a Bachelor's Degree in Music and Religious Education.

Friends of Mr. and Mrs. Albert Drozd will be glad to know they have moved to Cameron from Oxford, Mississippi.

Suggests New Kind Of City Government; One That Would Get The Job Done Here

Cameron, Texas
June 28, 1949

The Cameron, Herald:

Sanitary conditions are bad in Cameron and that is not saying they are worse than some other places but the fact remains they are bad and could be improved.

I'm not a politician so will not lay the blame for these things at the door of any person or group. All I know is that there is a lot of filth in Cameron because I can smell it and though my portion of the city tax is negligible, it tells me our taxes are high.

We have no yardstick by which to measure the gap or shall we say the, unknown quantity, that exists between needed improvements and the amount of revenue available for them so will not try to say just what should or should not be done. That, we feel is for some one or some group, working from the heart of an organization that overlooks nothing but instead, exposes public health hazards and advances practical remedies for them.

Now what kind of an organization is that? We would call it a well organized and coordinated city government, run by progress conscious and civic minded citizens who would really give some thought as to how things can be bettered. We are not condemning any past or present government. Maybe they have done and are doing the best they know how but little progress is being made. Nobody is talking much, business is about as usual and the whole town is in the doldrums.

The question of how to elect a group of officials who will cooperate and really put and plead for the real needs of the city is a sixty-four dollar one but we must keep plugging.

"Privy row", is a part of Cameron. Some people abhor it. Some people never give it a thought. Some people have to live in it. Nobody likes it but we are all condoning it.

Some may have the idea that as long as they do not live there it is no concern of theirs. But when a fly leaves a place of filth he is inclined to be a bit indiscriminate about whose stick of candy he lights on, and don't think you can avoid contamination while constantly surrounded by it.

Have you considered the fact, "Mr. Citizen of the Heights", that the recent epidemics of polio tended to strike heavier in your locality than among the sturdy inhabitants of, "Deep Frog", or "Alabama Town"? See what I mean?

Then shall we resign ourselves to the law of the jungle, the survival of the fittest?

This is it.
Mr. White:
The reason I do not sign my name is because my name would not lend any weight to the argument. It is not because I am not sure of my convictions.

CENTENNIAL OPENS AT LITTLE RIVER BAPTIST

Little River Baptist Church, organized in 1849, will begin a three day program Friday night celebrating 100 years of religious activity.

The program will feature a Pageant depicting 100 years in the life of the old church, Saturday night, with players from Baylor University. This will be preceded by a reception at the church to welcome back old members, all present members and hundreds of friends who will want to share with the Little River Church the triumph this occasion brings.

The program will end Sunday with a lunch on the grounds and perhaps the largest crowd of the entire three days for many from over this section of the state will want to attend the services and enjoy the program Sunday.

Little River Baptist Church at Jones Prairie is the oldest Baptist church in Milam County and perhaps the second oldest in Texas.

The people of the congregation extend a cordial welcome to the people here and over this section to attend the Centennial Program.

Texas Will Exceed Opportunity Bond Quota Says Adams

DALLAS, July 1 — Purchases of Series E Savings Bonds through Saturday, July 16, will be credited to county and state quotas in the Opportunity Drive.
This announcement was made in Dallas by Nathan Adams, Chairman of the Treasury Department's Advisory Committee for Texas, who explained that although the promotional phase of the drive ended June 30, the accounting period continues through July 16.

Adams said that Texas would substantially exceed its drive quota of \$36,950,000 if sales continue at their present rate. He said that sales as of Saturday, June 25, were \$32,637,000, or 88.3 per cent of the quota. He also reported that 79 counties already had exceeded their individual quotas and that the others were expected to do so by the end of the accounting period.

Record Locust Horde Sweeping Into 2 States

RENO, Nev., July 1 — A record horde of migratory grasshoppers covering some 3,000 square miles began eating its way into Oregon and California this week.

The State Department of Agriculture said Friday the band of hoppers in northern Washoe and Humboldt Counties is 75 miles long and 40 miles deep.

"This is undoubtedly the largest and most intensely populated single band of the western range locust in modern times in this country," said Harry E. Galloway, field supervisor.

Miss Marilyn Manley And Paul Ellis Are Married In Temple

The wedding of Miss Marilyn Manley and Paul Ellis was solemnized in a candle light ceremony at the First Methodist Church in Temple, June 22.

Rev. J. W. Whitefield, pastor, read the double ring ceremony before an altar banked with Woodwardia fern and standard baskets of white Gladiolus.

The bride is the eldest daughter of Mr. and Mrs. Henard Manley of Temple and the bridegroom is the son of Mrs. Lillian Ellis of Mississippi.

Mrs. C. M. Porter played a program of music and accompanied Mrs. John Hobbs as she sang "Until", "Because" and "The Lord's Prayer".

The bride, given in marriage by her father wore white marquisette over slipper satin, fashioned with a fitted bodice and off the shoulder neck line. The brides bouquet was made of Stephanotis centered with a white orchid and carried on a white Bible from which fell streamers of white satin ribbons and lace. She wore full length gloves and her finger tip veil of bridal illusion fell from a crown of orange blossoms. Her only jewelry was a Lavalier, bracelet and ear screws, a gift of the groom. She wore a crescent pin set with pearls belonging to her grandmother, that her mother wore at her wedding.

The Matron of Honor was Mrs. Wayne Honeycutt, Maid of Honor Miss Shirley Manley and bridesmaids were, Miss Flora Ellis, Betty Manley of Temple and Miss Lorene Roan of Temple. They were identically dressed in light blue waffle pique with basque waist and puffed sleeves and full gathered skirts. Their matching picture hats were trimmed with ruffles and they carried colonial bouquets of tinted easter Reed Daisies showered with pink satin ribbons. Best man was Wayne Honeycutt, James Burns, Thelbert Gilmore, Carl Henderson and Curtis Doss were ushers.

Following the wedding a reception was held in the garden of the Manley home. The lace covered table held the tiered cake decorated with a miniature bride and groom which was served with fruit punch. Mrs. Edwin Manley cut the cake and Mrs. Arthur Moore served the punch. Miss Virginia Powell registered the guests. Guests were invited to view the lovely gifts for the bride that were on display in two adjoining rooms.

The bride is a graduate of Temple High School and one year of nurses training at Hillcrest Hospital, Waco. She also attended business school, and had been employed for the past few months.

For traveling the bride chose a navy suit with matching accessories. After a wedding trip to Galveston the couple will make their home in Memphis, Tenn. where he is employed.

Mrs. Ellis is well known in Milano where she often visited her grandmother, Mrs. Dan Robinson where she had lots of friends wishing her much happiness in her new home.

Ernest Kahler, Jr., accompanied by his brother James and Bill Hatchel drove to Lakeview Methodist Assembly Monday morning where they took three delegates to the Senior Camp. The delegates are John Henderson, Charles Kahler and Yvonne Wimberly.

Mrs. Laura Butler who has been making her home in Lubbock spent last week in the home of her brother, Mr. and Mrs. J. B. Logan. On Sunday they were joined by Mrs. Butler's daughter and husband, Mr. and Mrs. Roger Burges from Waco, and she returned with them to visit in their home for an extended visit.

Mr. and Mrs. Bill Reed and daughter and Mrs. Ophelia Prewitt visited Mrs. V. P. Wooley of Cameron over the week end.

J. P. Brandenburg will make his annual trip back to his old home in Wisconsin. He will leave Cameron Tuesday, July 5 over the Santa Fe, driving to Temple to catch the Chief. He will go to Chicago and then to Lake LaCrosse, Wisconsin where he will stop for the next three months at the Milner Hotel. Fishing is good there and it is cool and he will rest. Mr. Brandenburg is a casual of World War I, serving with the old 3rd Division in 7 major campaigns.

Mrs. Owen Weems spent last week visiting her daughter and family, Mr. and Mrs. Lincoln Barber and children in Jacksonville. Se was accompanied home by George Lincoln III to spend a week with his grandparents.

Competition is keen

Competition is the life of trade.

You've heard that one for generations and it is as true as when first said.

So long as you do not have a monopoly you must sell at competitive prices. That does not mean that quality and service do not enter into the picture.

What we are trying to emphasize is that there are others, many of them, doing the same thing you are doing in the field of business—Selling Merchandise.

Selection is a compelling factor and often determines the volume of your business. Business goes where it is invited and stays where it is treated well.

ADVERTISE or folks won't know you want them. Treat your patrons well and you have nothing to worry about.

MINERS TO RESUME WORK TUESDAY

PITTSBURGH, Pa., July 4—The nation's soft coal industry starts something new today—a 3-day week imposed by a union.

Shrill blasts from mine whistles will call the 480,000 hard and soft coal miners back to work at the end of the annual, paid 10-day vacation.

President John L. Lewis of the United Mine Workers has told the industry his men east of the Mississippi will work only Tuesday, Wednesday and Thursday this week.

Throughout the soft coal fields, operators are expected to post work notices for each day that they feel coal demand warrants production. The diggers are expected to ignore the call-to-work once they have three days in.

Coal operators feel the 3-day week ordered by Lewis has tinges of illegality along restraint of trade lines. That view was echoed in Washington. Sen. A. Willis Robertson (Dem.) of Virginia, said a Senate inquiry will be held late this month or early in August. He added:

Most miners, who lost two weeks work in a March work stoppage and another week in June in a "stabilization" mine shutdown, said they were glad to work even three days instead of being idle.

Lewis announced his 3-day work week Thursday and said it would continue under contract bargaining to avoid "irritation." The UMW Journal hinted the short week might continue five months. That would whittle the present mined coal stockpile from about 75 million tons to a more normal reserve of some 25 million tons.

Some coal observers think Lewis prefers to hold off on a contract agreement until the coal reserve is closer to the lower figure and until winter makes the need for full production more urgent.

The UMW resumes contract sessions July 12 with Northern and Western operators and with the United States Steel Corporation's mining interests at White Sulphur Springs, W. Va. On the same day the union resumes contract talks at Bluefield, W. Va., with Southern operators. Bargaining between the UMW and anthracite operators opens Thursday in Philadelphia.

Lewis has not announced his 1949 contract goals but they are believed to include more pay for shorter hours and higher payments by operators into the union's pension and welfare fund.

Mr. and Mrs. J. V. Eanes had as Sunday guests her parents, Mr. and Mrs. John Richerson, Mr. and Mrs. Irvin Richerson and children, Mr. and Mrs. Jeff Williams and children and Miss Lucy Richerson all of Waco. Miss Billie Fletcher of Cameron was also a guest in the Eanes home.

SOCIAL SECURITY MAY BE TREBBLED IN 15 YEARS

WASHINGTON, July 4—Congressional drafters of new social security legislation were reported Monday to have agreed tentatively to let payroll taxes trebble in 15 years. They also would bring about 12,000,000 more persons under old age insurance.

Definite decisions had not been made, but the House ways and means committee was understood, after weeks of closed-door sessions, to have drawn a rough draft of legislation which would:

1. Let the payroll taxes, now 1 per cent against employees' pay and employers' payrolls alike increase Jan. 1, 1950, to 1 1-2 per cent on each, and on Jan. 1, 1952, to 2 per cent each. This is now provided by law. The new proposal would add provisions for an increase to 2 1-2 per cent in 1960 and to 3 per cent on each in 1965.

2. Add 12,000,000 to approximately 30,000,000 persons already covered by old age and survivors insurance. President Truman requested that coverage be extended to 20,000,000 more. The committee appears willing to extend coverage to the self employed—such as doctors, lawyers, business men—to household workers, and several smaller categories. But it has not put farm operators and farm workers among those to be blanketed

under the insurance.

3. Boost benefits under the insurance program, probably by more than 50 per cent, to meet increased cost of living. Payments to insure persons over 65 now average about \$25 a month. This probably would jump to \$40 or more.

4. New disability insurance payments, meaning that insured persons who become totally and permanently disabled would draw benefits just as though they had reached the retirement age.

Mrs. L. D. Alford of Ardmore, Oklahoma and Miss Blende Ray of Fort Knox, Kentucky spent the past week in Cameron and attended the wedding of Miss Alice Marie Coker to Ben Frank White, Jr.

HELP YOUR WISHES COME TRUE!

It's so easy to keep wishing for things, never helping to make them come true. If you were the farmer above, you might want more land, newer machinery or maybe a nest egg of security on which to retire.

If you were this wife, you'd probably have your heart set on home improvements, a modern kitchen or maybe the chance to vacation at far-off places — Rio, Paris, Hawaii, the Orient.

You can make these dreams come true, you know, by planting your dollars now in safe, sure United States Savings Bonds, the crop that never fails. Maturing in ten years at a \$4 for \$3 profit, they'll supply the cash for the schooling of your children and the fulfillment of your dreams.

Start saving in U. S. Savings Bonds today at your bank or post office.

Plant more opportunity in your future!

Bert Nicholson Heads Lions Club Here

Bert Nicholson is the new President of the Cameron Lions Club.

Installation of new officers for the club was held Tuesday night when annual ladies night was observed.

Mr. Nicholson, long a prominent member of the club, is local distributor for Dr. Pepper.

Rev. Charles Summers of St. David's Episcopal church in Austin was the speaker at open air meeting held following a chicken supper in the athletic field at Yoe High School.

Other new officers are: Woodrow Lowe, M. H. Nance and Ralph Koepf, vice presidents; Adolph Winfield, Secretary and Treasurer; D. R. Enochs, Lion Tamer; A. W. McCullin, Tail Twister; the following directors: L. G. Smith, Dr. George Bowman, W. F. Arthur, Dr. Gus Evans, Jr., Dean White and Dr. David Shapiro.

Mrs. Dorothy Vitale and daughter, Bobbie are visiting relatives in Waco and Shreveport, Louisiana.

LEONARD T. STRATTON BURIED AT FRIENDSHIP

Leonard Thomas Stratton, 63 died at his home in Austin June 18.

Mr. Stratton was born in Lee County but spent most of his life in Milam County. For the past 20 years he had made his home in Austin.

His survivors include his widow, one step daughter, Mrs. Andrew Logan of Lockhart, two daughters, Mrs. Agness of Austin and Miss Myrtle Stratton of Houston, four sons; Hugh Stratton of Houston and Guy, Jerry and Harvey Stratton all of Austin.

He is also survived by one sister, Mrs. Maude McQuary of Lilac, two brothers, Frank Stratton of Lilac and Roland Stratton of Temple, and four grand children.

Burial was made in the Friendship cemetery by the side of his parents, the late Sidney and Martha Stratton.

Bill Davinson of Hanover visited in Cameron Monday of the past week.

CANNES, FRANCE—Marine Sergeant Thomas J. Brock, Jr., 28, son of Thomas J. Brock, Sr., Cameron, Texas, is presently doing duty with the Second Marines (reinforced), a part of the Second Marine Division, serving with the fleet in the Mediterranean Area. He is shown on liberty on the French Riviera, near Cannes, France, examining souvenirs in a gift shop. He enlisted in the Marine Corps in April 1946 at San Antonio, and previously served with the U. S. Army. Brock is a graduate of Britton High School, at Oklahoma City, Oklahoma.

Waco Man Died Early Tuesday In Rockdale Store From Stroke

Carl C. Boyd, salesman for a feed house out of Waco, died around 9 a. m. Tuesday from a heart attack in Rockdale.

Mr. Boyd was at the Backhaus feed store when he suffered the attack. He was about 35 years old.

Sheriff Carl Black said Mr. Boyd had reached Rockdale on his route shortly before he became ill.

FINANCIAL PLIGHT IN FALLS STILL PREVAILS

Voters in Falls county Saturday defeated the proposed \$300,000 Bond Issue to revamp the fiscal set up and to provide some \$40,000 for right of way needs on 77.

Rosebud voted for the bond issue by a small majority but Marlin defeated the issue by returning a majority against the bonds. Reports from all sections of the county were not available.

The bond issued was called by the Commissioners Court to provide for refinancing outstanding obligations and to buy needed machinery for road work in the county. Western Falls obtained a concession to write into the budget some \$40,000 for right of way needs.

Rosebud was bitterly disappointed over the outcome of the election. The city of Rosebud recently issued \$25,000 in bonds to pay for a right of way and curbing through the city for Highway 77. The people there wanted the highway to be built through town and were willing to pay for the right of way.

Cameron likewise was interested in the outcome of the election since Highway 77 must be built through Milam county. Right of Way on Highway 77 from Burlington to the Falls county line, was called for more than a year ago but so far all deeds are not in.

QUALITY OF MELONS ARE SAID EXCELLENT

Milam county's famous water melon crop was beginning to mature.

The first locally produced melons were on the local market by the middle of this week and Saturday they were pretty well in evidence everywhere here, including the stores.

The melons are of excellent quality and good size. They have matured largely in dry weather and retain their sweetness.

The melons thus far are the black rounds, excellent for shipping and for eating as well.

Already trucks are coming in from other states, notably from Oklahoma and Kansas. The crop has not begun to move as yet, only a few fields reporting ripe melons. The crop is late and may give local growers the benefit of a re-acting market.

No information was available Saturday on the market price for water melons. Nor could it be established what extent the crop may develop. Usually the county ships thousands of cars.

J. L. Foster at the Foster Produce Company said late Friday that the cantaloupe market was demoralized and that he was shipping out melons at a loss.

Tomatos continue to figure well in the farm produce market. Mr. Foster said that good tomatoes were bringing a good price but quality is hard to maintain. He was shipping a car load of tomatoes to New Mexico Friday and then would shut down until July 5.

Ben Arnold Reunion—Will Be Held Here Sunday July 17th

Reunion of old time residents and their descendants in the Ben Arnold community will be held in Wilson-Ledbetter Park in Cameron on Sunday, July 17.

Miss Katherine Sproull, as Secretary of the reunion organization, says the reunion this year will bring many from distant points.

The reunion date is the third Sunday in July. Those who attend are requested to bring basket lunches for the big noon day lunch.

The reunion was organized some years ago by Frank Sherrill and Noel Yardley. Both have died since the 1948 reunion.

Mr. and Mrs. Ed Pagel of Yarrellton and Mr. and Mrs. Henry Tomasek of Cameron attended the wedding of Miss Annett Juergens to L. W. Peebles at Bishop the past week end. They visited other relatives also.

Citizens National Bank Has Four and Half Millions On Deposit; Cash High

Citizens National Bank has on deposit \$4,515,591.02 according to statement just issued on call by the Comptroller of the Currency as of June 30.

The statement, copy of which reached The Herald early Friday, discloses that the bank totals have not been lowered appreciably since the April statement.

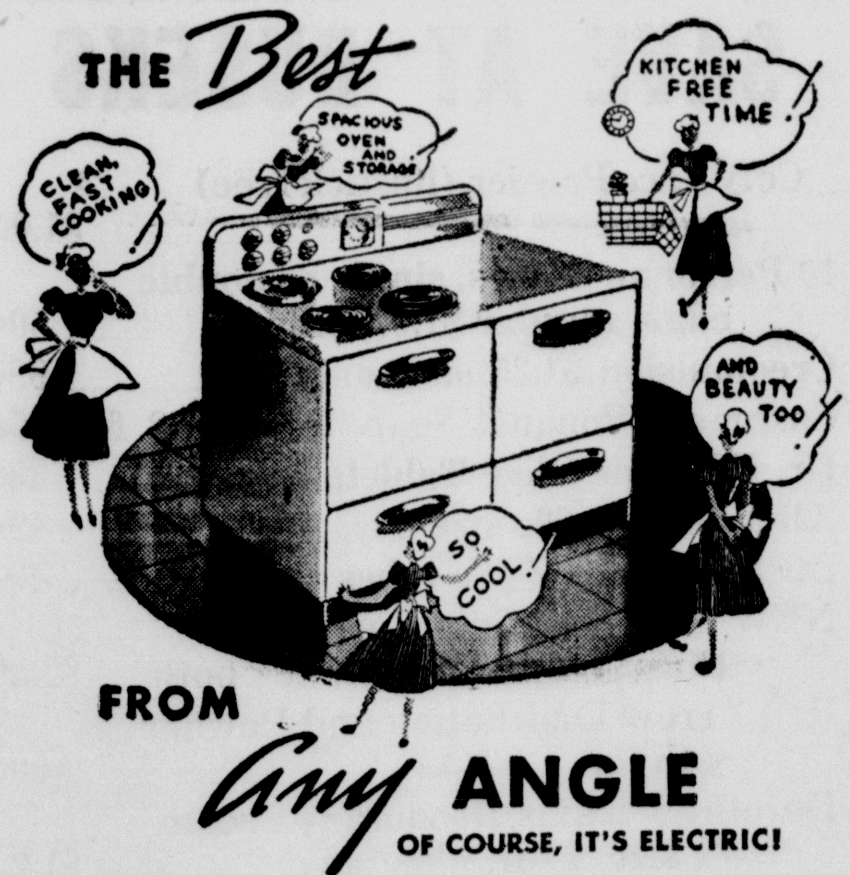

Loans are listed at \$738,536.26 and cash available is listed at \$4,071,523.39 which includes an item of almost 3 millions in bonds and securities. Capital and surplus is \$300,000.00 and deposits total \$4,515,591.02 which includes only \$39,054.76 in government deposits.

James Clyde Risinger, Jr. is ill and a patient in Newton Memorial Hospital.

REBURIAL MONDAY FOR SGT. CLYDE D. BATTE

(From the Daily)

Reburial services for Sgt. Clyde D. Batte, were to be held at 4:00 p. m. Monday from the family residence of Mr. and Mrs. R. L. Batte, Sr., at Trails End.

Rev. Lee Lemons, pastor First Methodist Church, conducted the religious rites and interment was made in Oak Hill Cemetery with the Green Funeral Home in Cameron directing arrangements.

The body of Sgt. Batte arrived in Cameron at 3:13 a. m. and was taken to the home of his adopted parents Mr. and Mrs. R. L. Batte, Sr.

Sgt. Batte was killed in action over Cologne, Germany on October 5, 1944. He was slightly under 19 years old when he lost his life in a combat mission over Germany. He was an aerial gunner and attached to a squadron of fortress bombers based in England.

Sgt. Batte enlisted as a volunteer in December 1943. He was a graduate of Yoe High School and played on the football teams of 1941 and 1942. He was awarded the Purple Heart posthumously.

Pallbearers were from the 1941 and 1942 football squads now living in Cameron.

The military ritual was dispensed with. The services were impressive and deeply moving as friends and relatives gathered for the last farewell to the dead airman.

Thomas Beaty of Hoyte was a Cameron visitor one day this week.

Sam C. Sheckles To Be Buried Friday In Rockdale

(From the Daily)

Mr. Sheckles died at the home of his sister, Mrs. R. A. Tyler in Rockdale Wednesday night, June 29. He had been ill for a long period of time. His home was at Buckholts.

Surviving are his widow and the following brothers and sisters: Bill Sheckles, Mrs. Artie Tyler, Mrs. Alpha Murphy, Mrs. Annie Mae Cook and Fielding Sheckles.

Odd Fellows Hold Meeting; Many Share Dish Supper

Cameron Odd Fellows held a meeting of interest to many here Thursday night at the hall.

Lodge leaders said Wednesday that more than 51 members and guests were present for the meeting and the covered dish supper served cafeteria style. The Lodge has been giving these entertainments for several years and many here look forward to them.

After the supper tables were laid for games of 42 with prizes awarded. A new cooling system has recently been installed in the hall for the comfort of members and guests.

J. B. Williams of Milano was in Cameron Tuesday on business.

TEXAS LEADS DEATH MARCH ON JULY 4TH

It was a sorry commentary on the sanity of the American people, but cold statistics were compiled late Tuesday and the nation had to bury 711 who died in violent deaths over the July 4 holidays.

When the trek back home had ended more deaths were reported and added to the 690 toll announced late Tuesday. It was the all time record of dead in July 4th celebrations or for any holiday fatalities in the history of the country.

Texas jumped into the lead with 49 deaths while New York reported 45.

The National Safety Council denounced the shameful record as a show off by irresponsibles and said it was a disgrace to the nation.

In addition to the 711 killed some 10,000 were injured.

Of the number dead 316 met their deaths on the highways as big shiny cars raced up and down the country with whiskey in the radiators and money at the steering wheels. Of the dead 256 jumped into water and couldn't swim and 140 died from various preventable causes.

Legion Sandwich Shop Opens Here

Mr. and Mrs. Roy Vaughan have opened the Legion Sandwich Shop in the building on East Main where the Palace of Eats has been operated for a long time.

This location has a long history as a cafe center. The space allotted to the new sandwich shop has been greatly improved and decorated.

Mr. Vaughan is a World War II veteran of the air corps, a pilot. He has named the shop the Legion Sandwich Shop and this name is pleasing for the honor it does to ex-service men as well as just plain distinction.

They will specialize in barbecue plates, sandwiches, cold beer and soft drinks. The shop was opened Saturday and is in full operation.

Weary Pilot Fails To Report Arrival; Wide Search Made

Because a Fort Worth student pilot was "too tired and sleepy" to call his instructor that he had changed his flight plans, a two-state search was conducted by 18 plans of the Civil Air patrol Monday.

The pilot, James W. McDuff of Arlington, returned his rented plane to municipal airport at 6 p. m., Monday, surprised that so much commotion had been stirred by his unexplained absence.

McDuff had been listed as "missing" since 9 a. m. Saturday, the time he was due back from a purported flight to Oklahoma.
